Apollo 14 Breakfast on the Moon Webinar FEB 6

National Space Society

Please mark your calendars! On Saturday morning, February 6th, NSS Chapters' Assembly and the Sacramento L5 Society NSS chapter will host the fourth in their ongoing series celebrating the various 50th anniversaries of the manned Apollo missions to the Moon. This time, we'll be celebrating the Apollo 14 mission.

For the Apollo 14 event, simulcast on Zoom and YouTube, we are tremendously excited to be able to announce that our panelists will be headlined by Apollo 14 Mission Control Flight Director Gerald D. Griffin.

When: Saturday, February 6, 2021, 10:00-11:30 AM Eastern

Topic: Breakfast on the Moon – A Celebration of Apollo 14
Register on Zoom or watch on YouTube
